NEWS OF THE DAY.

THE WAR.

The heavy firing heard at the front of the Potomac Army on Wednesday was occasioned by an eng seement between a large force of Rebels and a portion of the Army of the Potomac in the vicinity of Bristow's Station. Infantry and cavalry were engaged on both w ges, and the result was a decided Union victory, the Exicols being badly beaten, with the loss of an entire bestery and 450 prisoners.

perminated most disastrougly to his forces. Gen. Brown | head 72; majority for Union towns 9. pacceeded in getting at them three times in a running fight, and finally cornered them, when a battle ensued which lasted five hours. The Rebels were completely rouled and scattered in all directions, with the loss of all their artillery, baggage, a large number of small arms, and prisoners. Their loss in killed and wounded is also very large. Our forces were in pursuit of the

further announces that the levying of new taxes will be proposed to the Diet to promote the material prosperity of the nation and to extend the blessings of public education; and he declares it to be "the task of the Diet to decide upon the urgency and extent of these measures."

As many provisions of the fundamental law are no longer adequate for the present state of things, the Emperor has ordered the preparation of an act which will contain explanations and supplements, and which will be submitted to the next session of the Diet, to be convoked three years hence. While maintaining the principles of a constitutional monarchy, more extensive rights will be conceded by the new Reply.—It may be a mistake on our part, but law to the Diet with regard to the assessment tions, although the Emperor reserves to himself
